

**DIRECTORY OF DRUGS SERVICES
FOR
THE NORTH INNER CITY**

The community participation project is a joint project of the two community networks in Dublin's North inner City, the inner city organisations network (ICON) and the North West Inner City Network (NWICN). It is funded by the North Inner City Local Drugs Task Force. The aim of the Community Participation Project is to help local people to become involved in the actions and decisions which affect their communities.

WHAT IS IN THIS DIRECTORY

- The directory is intended to inform drug users and their families of the services available for residents of the north inner city. All information was correct at the time of printing.
- The inclusion of a service is not an indication of endorsement by the community participation project and some services may have been unintentionally overlooked.

HOW TO USE THIS DIRECTORY

- Organisations are listed alphabetically by title in the main body of the directory.
- Organisations starting with the words 'the', 'an' or 'a' are ordered by the following word.
- Organisations are also grouped by theme or support provided in the subject index.

Fax: 01 855 3395

Email: saol@saolproject.ie

Email: www.saolproject.ie

Cost: Free

Opening Hours: Mon-Fri 9:00 5:30

Description of Service: SAOL Project provides a rehabilitation service through education programmes and one to one support for women who are drug users and members of the local community. Childcare facilities are provided along with help and support to the children and families of participants.

Service Provided: Counselling, Health Education, Training, Support and Advocacy
A detailed care plan is developed with each participant, with agreed goals being central to the work. Advocacy regarding homelessness, children and addiction needs are regular issues. Mental health issues along with other illnesses also require support. Where appropriate, accommodation needs and employment needs will be responded to, but the project does not provide either accommodation or employment (other than FAS payments).

Access to Service: Drop in, by appointment. Referral from Professional appropriate addiction worker (including GP/Probation worker). First meeting can be initiated by individual but a professional referral is required for a woman to become a CE participant on SAOL Project.

SAOL (CONTINUED)

Target Area: Dublin 1, (Priority for target area)

Target Group: Women and Children

Conditions of Acceptance: The SAOL Project revolves around a CE programme for women only. Those women are recovering drug users and need to be able to show that they are attempting to stabilise in their drug use. They must have an advocate from another service who will continue to work with them alongside the work they do here in SAOL Project. Places in the crèche are reserved for the children of our participants – although occasional places are available for others when internal demand is small.
